PRINCIPAL'S MESSAGE

Each year as we approach this season of graduation, we have feelings of mixed emotions: joy for your entrance into a new phase of living and a sadness because this new phase of living means parting.

To you, members of the senior class of 1965-66, congratulations! May you continue to maintain the highest standards of excellence possible in all of your worthwhile activities through the years ahead. May you have the courage, the desire, the determination, the will power and the strength for the tasks ahead. And may you always truthfully serve your fellow-man and your world with "pride and humility."

Best wishes for your continued success always!

Your friend and principal,

CLASS HISTORY

It seems but yester-year when three hundred eager and impetuous freshmen entered the portals of Melrose High School. Tis sweet to reminisce, gazing joyously over the past; we can not help but think of our days in the "reading", "riting" and "rithmetic" classes. Our minds were carefully molded and our characters chiseled by master sculptures of education. Now and then we wandered aimlessly about, but we were often corraled by our principals, teachers, and counselors and our feet led to educational pursuit. During our freshman year, the brightest beacon of inspiration came when we elected Miss Freshman, Sandra Hamilton and her alternate Sandra Jackson. Because of the on pressing surge of the Cuban Crisis, and the blazing of paths of the New Frontier, and the Population Explosion, our school was compelled to go on a Flexible Schedule. With promise and security we went to and from classes, cheered for the football team, marched placidly with the band and gave moral support to our Quiz-Em team. We smiled in splendor at the graduating seniors, with sanguine expectation that one day we too would follow in their footsteps.

Before the plan for the Freedom March to Washington could be executed, we were out for our summer vacation.

Time passed with great acceleration and before we could realize it, our playtime was over. We returned to our school to see a new addition under construction. An auditorium that we had long dreamed of, now graced the front of our campus.

We impatiently went through registration and then, we were ready for classes. With a little more sophiscation and direction we went about striving diligently to reach our educational goals. One bleak day during our sophomore year, we were informed by various media of communication of the assassination of our president John Fitzgerald Kennedy. Because of our close ties to a man of youthful ideas and noble ideals, we too felt the sting of sorrow. Day after day the sound of his challenge echoed and re-echoed in our ears, "Ask not what your country can do for you, but what you can do for your country." With new zest, invigoration, and his immortal image, we were forced to have Courage Amid a Crisis.

The Civil Rights Bill was passed, and to the Wise Juniors, This bought about a keener awareness of the importance of Education. Realizing that Education Is A Must, we entered our junior year with vim, vigor and vitality. Several members of the class were inducted in the National Honor Society, George Whitney, Sandra Hamilton, Beverly Plummer and Sammie Kaye Fletcher. For the first time during our three years in high school, we elected class officers, President--Eric Wilburn, Vice Pres.--Beverly Plummer, Secretary--Ella Cooper, Treasurer--Patricia Martin.

Many of the juniors starred on the football and basketball teams respectively. "A Night of Tropical Elegance", the theme of our junior and senior prom added that touch of exuberant ecstasy to our junior year. In home coming activities, Patricia Lagrone served as Miss Junior.

Summer, three whole months and now--We are near the culmination of four years of financial and mental investment in our high school careers. The War in Viet Nam has become more intense, the Blackout in New York has caused endless investigation and on every television screen and billboard we see "Invest in Learning." We feel that we have come a long way and yet we have so much farther to go before dawn. Our leaders for this year are; President--Eric Wilburn, Vice President--Jacqueline Smith; Secretary--Geraline Stephens; Treasurer--Annie Truit; Chaplain--Beverly Plummer; Parliamentarian--Ronald Benson; President of the Student Council, William Jernigan; Miss Melrose--Sandra Hamilton; First Alternate--Sandra Jackson; Miss Senior--Patricia Martin; First Alternate--Amelia Lyons; Co-Captains respectively of the 1965-66 version of the Golden Wildcats, Dolphus Jones and Lynn Cox; Miss NDCC--Joyce Godwin; Basketball Team--Captains--Thomas Simmons and Edward Hoskins.

During our senior year,
We have felt the sting of dire defeat,
We've seen our castles topple to the ground
We have heard the toscin of retreat
And sadly listened to that dismal sound

But we know,
'Tis always darkest just before the dawn
Aurora speeds upon the wings of light
Behold, she swiftly comes with saber drawn,
To succor you and others in their plight.

With the helmet of knowledge and the shield of confidence given us, during our four years in Melrose High School, we will be able to serve our community, state, and country with great pride and sincere humility. We have been fortified with the courage necessary to meet a crisis.

CLASS PROPHECY

This year we decided to visit the mysterious planet of "A-go-go." As we board the capsule, Minnie V we find our Capt. WILLIAM JERNIGAN and Co. Capt. ATHAL BOWERS preparing for the take-off. The ships stewardesses CARMEN PORTER, GERALINE STEVENS and DEBORAH are helping passengers aboard. Now we are ready for the count-down, 9-8-7-6-5-4-3-2-1. After a very sad take-off, the ships doctors, MICHAEL BROWN, JAMES PORTER and their assistants MARILYN BUGGS, PHYLLIS JACKSON and PHYLLIS MITCHELL help the injured passengers. Some of the distinguished passengers were Actors, BARRY HARRIS and JOE HAMPTON; Professor GEORGE WHITNEY; Congressman RONALD BENSON; Actress BERTHA JONES, VIRGINIA POWERS and BETTY GARNER; Rev. NEWBURN ROOKS and President THOMAS RIFFIN.

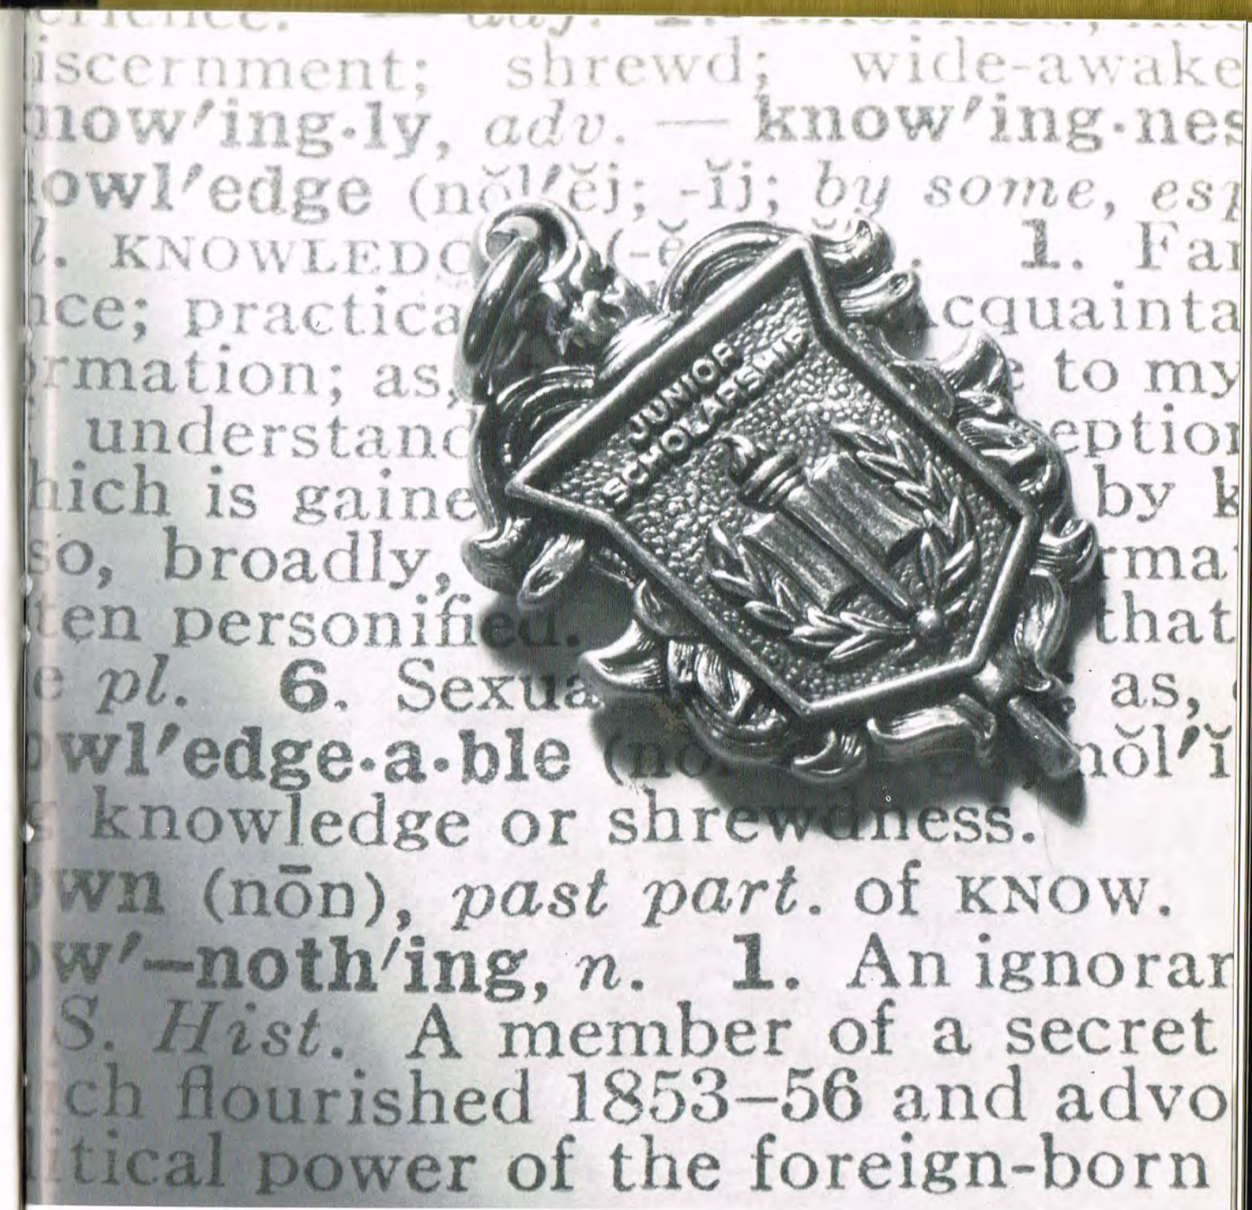

Upon landing at "CRASH LANDING AIR PORT," our bags were taken to Philly Dog Hotel on Temptation Ave., by porters JAMES "MONK" MATARTIN, CHARLES EVANS and BENJAMIN FALLS. That evening we ate dinner at the Plomaine Restuarant, owned by Fred McKinney co-owner OBIE BRIDGEFORTH. The waitresses were ADA MALLORY, IDA JOHNSON, and VENETTE STEELS. After recovering we caught a cab driven by MICHAEL SWIFT. Soon we arrived at The Moon Beam Night Club owned by LOUIS HINES. We danced to the bad bad sounds of FRANK LEWIS and his orchestra. Accompanied by the famous singing group, THE FOUR REAL HUH'S, JACKIE FULLER, CHEYL HICKS, ANGELA MULLEN, LOUISE JACKSON and the fabulous voice of Miss MARJEAN GOODMAN. A favor show with four fine Chorus girls topped it off, BOBBIE FLYNN, BRENDA ALSOBROOKS, ELENOR WALLER and CASSANDRA DEAN. The next morning we decided to go on a sight seeing tour. We boarded a planet bus driven by JOE LEAKE. Our first stop was at the Hang-Over Hallow owned by LARRY WHITE. Next we visited the Big Mouth Park managed by ALICE STANBACK. Then we went on to Vined down Vangard owned by JAY BLOUNT and on to the Wig Wrum were AVA JOHNSON, ELLA COOPER, MARY TOLES were being fitted. We visited The Planet Bank Pres. DON HERY, Vice OZELL SHIPP Sec. JOYCE GODWIN, Treasurers were WENDELL PAYTON, LARUE WARD cashiers JOHN DAVIS, SPENCER MOORE. We boarded the bus and travel north on "UP-TIGHT BULLARD". We passed Dum-Dora High School Prin. THOMAS SIMMONS on down farther we passed SWEET BY AND BY CEMETARY, Caretakers CHARLES HARRISON, NAPOLEON HARRISON, were working hard. We passed HOLLY ROLLY CHURCH, pastored by REV. LAWRENCE ARMOUR. After our tour ended we went by to our hotel room and watched television. Some of the shows on were Grand Olde Opry starring JEAN SIMMONS. The Fugitive starring DEXTER OAKLEY, co-starring DELPHINE STORY and DOROTHY FERGUSON. And Big Women World starring JOYCE GATEWOOD, JUNITA ROBERTS, LINDA CROWDER and ANITA SCOTT. The next mroning we got packed and headed for Olymbia on flight 007.

Our next landing was on planet Olympia where we greeted by QUEEN OLYMBIA, SANDRA HAMILTON. They were in the midst of their Annual Olympia festival. We were just in time to see 100-yard dash, contestants RICHMOND LITTLEJOHN, ODELL HORTON, and LOUIS HINES. The race was won by R. LITTLEJOHN by a nose. The next event was the lightweight boxing match featuring LYNN COX and DOLPHUS JONES the referee ULYESSES NESBIT. The last event was a broad jump won by DIRAS CONLEY. After witnessing this planet we decided to go to better surroundings. TO OUTER SPACE:

Crusing through outer space we encountered many adventures. Our first hair-rising experience came when the atmosphere pressure reduced the energy in our solar cells and we were forced to make a landing. What our fate was we didn't know. Taking precaution measures we eased the space door open and to our surprise we were greeted by JOE FOSTER, turned out to no other than LAWRENCE FOSTER, keepers of the Lunar Zoo. We were then taken to their leader who turned out to be EUGENE WILSON. We then went to the famous "HOLE IN THE HEAD". Night Club where the fantabulous ANNIE WILLIAMS was the main attraction, accompanied her was ADA MALLORY and IDA JOHNSON. The band members were DORIS LOCKHART, SIDNEY PARHAM, NAPOLEON JONES.

The next morning we got packed and headed for home on flight 007.

Visiting Planet "A-GO-GO" was a very pleasant experience and so were its people. What do vou think????

SPORTS' HISTORY

Mr. Jesse Wilburn, Track; Mr. William Mardis, Athletic Director; Mr. Eldridge Mitchell, Football; Mr. William Collins, Basketball; Mr. Charles Evans, Baseball.

FOOTBALL

The Golden Wildcats' record goes back to 1963, where they first started their big roll. Keeping a winning streak, the cats had a wonderful season until they had to share the crown with Booker T. Washington as co-champs. In 1964 they kept their winning streak which gave them the title of city and state champions, which was not to be shared this time. After the regular season was over, the club was selected to play in the Blues Bowl Game at Crump Stadium. They were also victorious here as the season ended with a record of 10-0 with a job well done. With the cats losing some of their major players, things looked rough; yet Coach Mitchell still looked forward to winning another crown in the season of 1965. The cats began by playing some of the top teams that were to be number one for the season. Showing their great ability on the gridiron, they managed to come out with a season record of 9-1. One of the most thrilling and surprising games came at the end of the season when the Golden Wildcats met the Manassas Tigers. Without being defeated for two seasons, the Wildcats were unable to keep their consecutive win after Manassas defeated them 24-14.

BASKETBALL

The Golden Wildcats have been up and down this year playing some rough games, including the Catholic Terriers, which ended in a defeat--67-57. The Golden Wildcats have won two consecutive second place titles since being coached by William Collins. During his time working with the players, he has been able to play in the state tournament twice.

TRACK

The Wildcats winning the state championship in the TSSAA competition, managed to give their coach and their school the first state championship in the history of the Melrose Track Team. This being the first season the track competition was totally intergrated, Melrose was no doubt the best and came out victorious.

BASEBALL

Coach Evans organized his first baseball team at Melrose in 1960. In the year, 1961, the Wildcats came back with a big surprise for their coach and school, bringing them their first district crown. The team has proved their worthiness for the crown, by their aggressiveness thereafter.

World News—1965

1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrandon December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.

National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

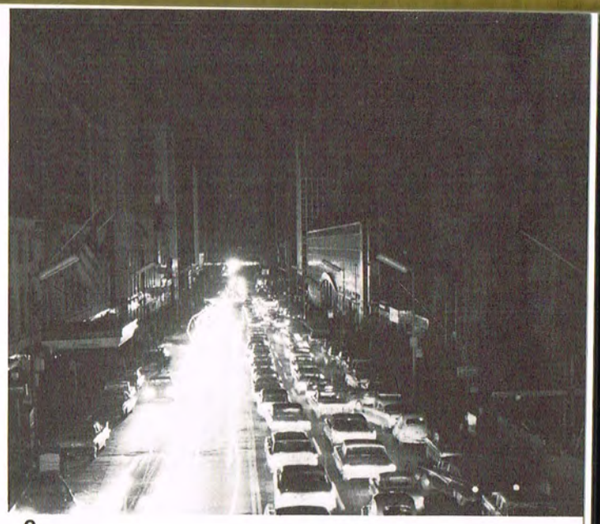

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.
