MRS. ELIZABETH JOHNSTON

Meeting the needs of our students one day at a time

Mrs. Elizabeth Johnston is enjoying her 15th year as an educator in the Memphis City Schools system. As a Social Studies teacher and Department Chairperson, Mrs. Johnston strives to ensure that students understand the impact that history has on the lives of people individually and collectively. In fact, when asked if she was interested in administration, she promptly replied, "No way!" "To leave the classroom would take away from what I love doing. Getting students to see the big social and historical picture is my passion."

In addition to her classes, which include Advanced Placement U.S. History, Mrs. Johnston is a Senior Class Adviser and hones the leadership skills of our Senior Class Officers. She has coordinated Honors Programs, worked on numerous schoolwide committees, and is available for students interested in extended learning opportunities. When asked how she likes working at Melrose, she stated that she enjoys the students, staff, and the "family" atmosphere.

Mrs. Johnston stated that her students enjoy genealogy discussions and are fascinated when she informs them that her grandfather is from Mexico and her grandmother is from Italy. Born and raised in Kentucky, she and her husband Matthew have an energetic and historically-minded three-year old daughter, Isabella.

With pride and humility, we dedicate the pages of the Golden Wildcat Yearbook to Mrs. Elizabeth Johnston, a committed and caring educator.

THE CLASS OF 2009

From the PRINCIPAL'S DESK

To each graduate, I commend you on your accomplishment.

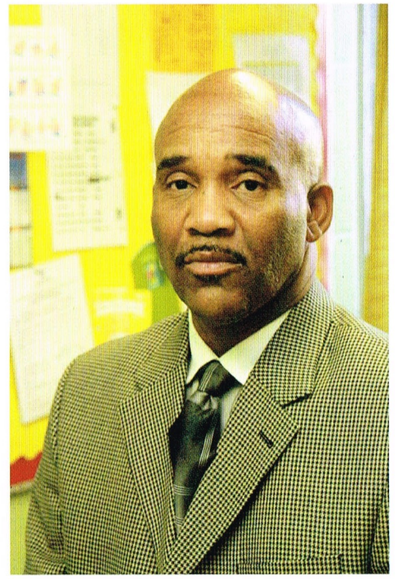

To our undergraduates, I encourage you to follow the lead of our graduates.

To our faculty and staff, I thank you for your commitment to academic excellence and the development of youth.

To our parents and guardians, I applaud your efforts. Keeping children in school and helping them progress through graduation can be a monumental feat.

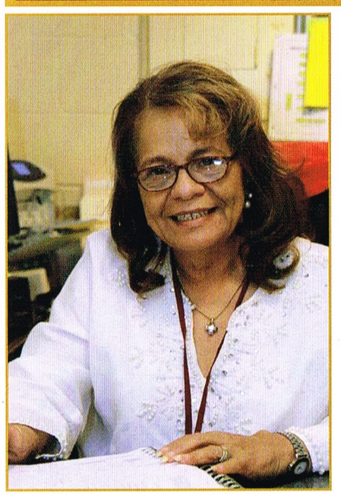

To members of the Orange Mound community, I appreciate all that you do for the Melrose High School family.

As someone once said, "It takes a village to raise a healthy and productive child."

MY SIDE OF THE STORY

Growing up happens in a heartbeat. One minute you're in diapers, the next minute you're an adult; but, the memories of childhood and youth stay with you for the long haul.

GIRLS who participate in sports are less likely to drop out of school, more likely to go on to college, and more likely to graduate from college. They tend to avoid a whole host of risk-taking and self-destructive behaviors. Girl athletes have one of the lowest rates of tobacco use among any sector of the high-school population; they are less likely to abuse drugs; they are less likely to get pregnant, more likely to delay their first sexual experience, and have, on average, fewer sexual partners than girls who do not participate in sports. In addition, girls derive benefits from athletics that are difficult to measure objectively, such as confidence and self-esteem; they score higher on tests designed to gauge positive body image.

THINK ABOUT IT...

The greatest accomplishment is not in never falling,
but in rising again after you fall.

Winning is habit. Unfortunately, so is losing.

Life's battles don't always go to the stronger or faster
man. But sooner or later the man who wins
is the man who thinks he can.

Hard work is the price we must pay for success.
You can accomplish anything
if you're willing to pay the price.

Failure IS NOT an option.

I BELIEVE IN ME

by
CAROLYN MCLEMORE
Class of 2009

Grand Prize Winner of Black History Poetry Contest

From day one, they labeled me
A black nappy-headed girl
Who will be pregnant before 18
Will be seduced and swayed by a thug who sells drugs and has Aids
Will not finish high school
Will have to take care of a kid
Will start turning tricks because she has to pay bills
Will be on the streets
Will be addicted to pills
Will meet a man who promises to love her and treat her and her kid right
He will, though, take all her money and leave in the night
Eventually, she will OD on drugs
and her kid -now without a mother- will turn to the streets for love.

I was already counted out
before I was given a chance.
Decisions were already made about my life,
though they were left in my hands.

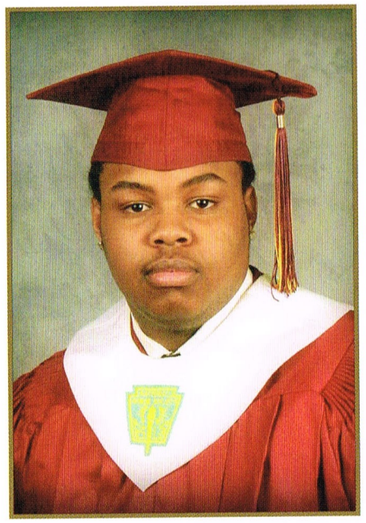

I'm better than this person I was said to be.
I will succeed because, if nobody else does,
I believe in me.

I am focused on me and not concerned with the next.
I try my best every day and have not failed the test.
I don't do drugs. Won't do drugs. Have never hit a blunt.
I have succeeded. I am succeeding. I will succeed.
You can watch me stunt.

So when you look at me and you see anything less,
take a step back and examine yourself.

I BELIEVE IN ME.

Readiness for College and the World of Work

Local businessmen and alumni interviewed and talked with seniors about their readiness for college and/or the work force. Participants were dressed to impress and presented resumes. Having a spirit to "give back" is a gift that the students of Melrose High School recognize and genuinely appreciate.

INTERVIEWERS

Mr. Julius Graham, Businessman and brother of Ms. Graham, helps students hone their interviewing skills.

COMMUNITY SERVICE: A MELROSE TRADITION

Throughout the school year, members of the Melrose High School family reach out to the Orange Mound community and the city at-large. Examples of our efforts include, but are not limited to, the following: **Charmettes Christmas Baskets**, **DECA's Toys for Kids Drive, Book Club's Reading Program at the Orange Mound Senior Services Center**, **Student-Athletes' Mentoring Program with Neighboring Orange Mound Elementary Schools, Voter's Registration Drive, and French Club's Clothing for Charity Drive**. This year, the **Entrepreneur Club** was organized and has already assisted elderly citizens of the Orange Mound communiity. We salute the students and sponsors of these and other organizations who are answering the call to serve. Despite our differences, we are one family.

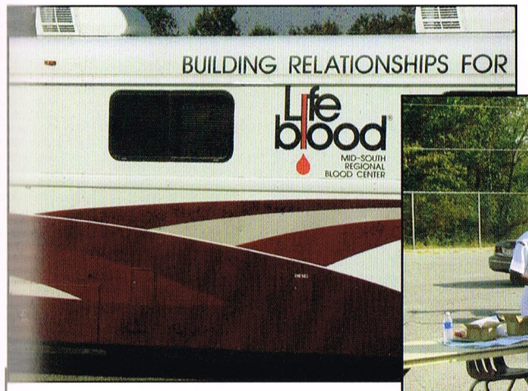

The Entrepreneur Club helped Orange Mound resident Mrs. Merdes House refurbish the exterior of her home. Scraping, painting, and other minor repairs were supervised by licensed contractors who volunteered their services.

We serve with pride and humility.

Best Friends for 17 Years: Shequita Griffin & Latoya Roberts

Shequita Griffin and Latoya Roberts attended Hanley Headstart, Dunbar Elementary, Airways Middle, and four years at Melrose High School TOGETHER. Their friendship is based on honesty, trust, and mutual respect. While they share many of the same hobbies, they know that no two people are alike. Through the years, they have agreed to disagree. Both Shequita and Latoya will become Golden Wildcat graduates in May.

Happy BIRTHDAY To You!

Each month, student and staff "Birthday Babies" were recognized and treated to cake and ice cream in the library. We especially thank Mrs. Lillian Hodges and Ms. Frances Barnes for coordinating these wonderful after-school delights.

Principal McClain extended birthday greetings at each monthly celebration.

It's your birthday!
It's your birthday!

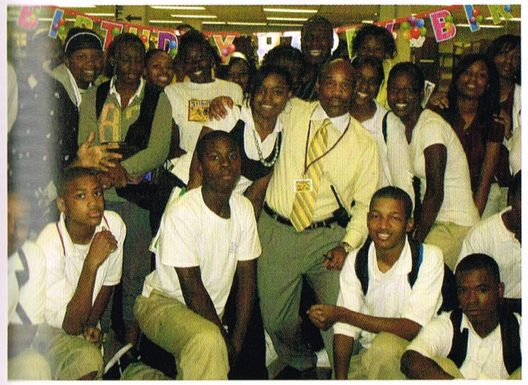

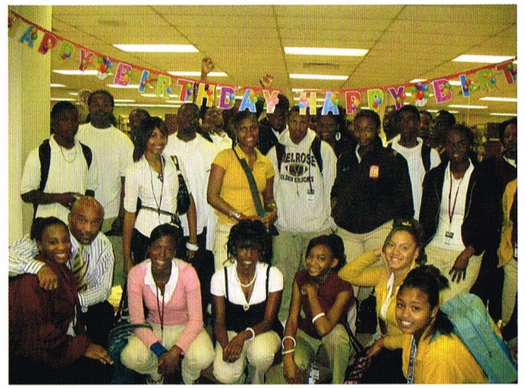

At Melrose High School, all of our children, staff, AND their birthdays are special. In accordance with our motto, we serve ice cream and cake with pride and humility.

"Birthdays are important to me and my family. On the morning of my birthday, I wake up "expecting" some kind of acknowledgement from my family. Likewise, I consider the birthday of each Melrose High School student and staff person to be of equal importance. We only get one birthday a year. When that day comes, I consider it to be the gift of another year. It is truly worthy of celebration!"

Congratulations To My Intelligent Boyfriend, Kenneth "KJ" Harris!

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.
Ephesians 3:20

When I first met you, I knew it was something amazing about you. I never thought I would be a part of your life this long. We have been through some rough and hard times in our relationship, but through it all, we still stand together. I have watched you mature into a handsome and intelligent young man. I am so proud of you, Kenneth, for always striving for the best and trying to be all you can be. Now it's time for you to take what you've learned in high school and apply it to more advanced knowledge at Morehouse College.

Kenneth James Harris, I know you will make your family proud because you have really made me proud to be your girlfriend. Always remember to keep God first and keep the faith in everything you do. I love you and am so proud of your achievements.

For My Son,

October 24, 1990 - February 25, 2007

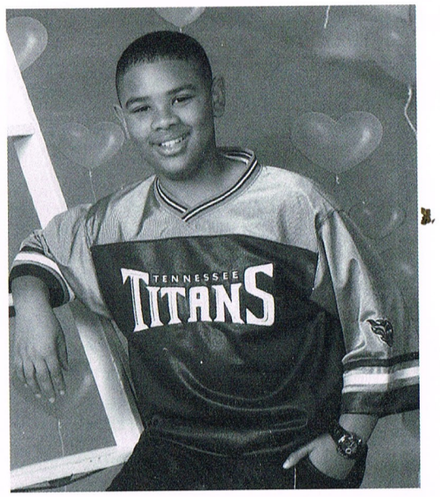

A mother's love lasts for eternity.
A drunk driver took your life;
but, your precious memories and spirit
will live in my heart forever!

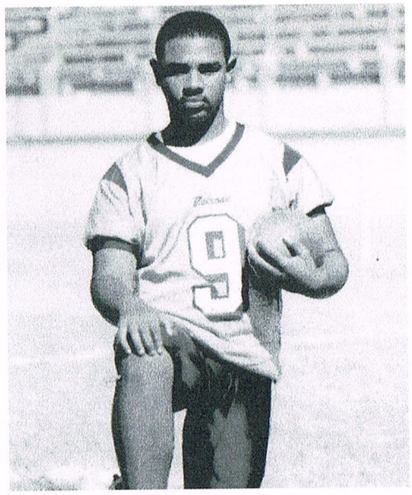

Words cannot adequately express how much I miss you
and the pain I still feel. A hole is in my heart
that is impossible to fill -still looking for answers
so that I can heal.
Some may forget you now that you're gone;
but, I will remember you no matter how long.

Loving and missing you more and more each day!

Christopher A. Wilson, Jr.
- Always in Our Hearts -

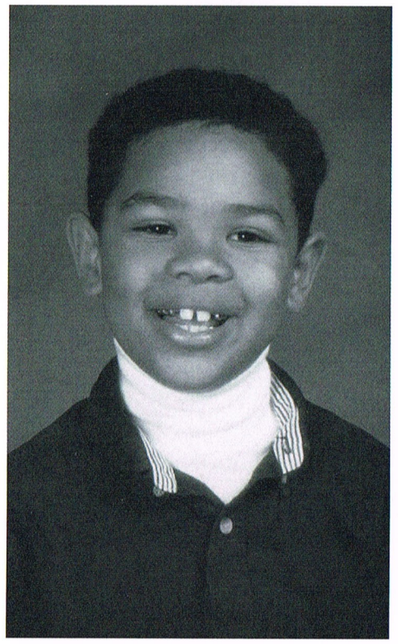

For a brief while, a small miracle was ours. A beautiful baby boy was born October 24, 1990. You were the joy of my life! As I write this, the tears are flowing from my eyes. They are tears of joy and sorrow. From preschool to high school, you have made me the proudest mother in the world. You exemplified character, integrity, respect, morals, intelligence, and personality. You excelled academically, as well as socially. You had so many goals, aspirations, and dreams with graduation high school being the start. Chris, you truly were an inspiration to all that you came in contact with; however, you were and still are my greatest inspiration. You touched your family and peers with your jovial personality, strong determination, beautiful smile, and handsome looks. You are a loving son, caring brother, and compassionate friend for eternity.

A drunk driver may have taken your life; but, your precious memories and sweet spirit will dwell in our hearts. I can still hear you saying, "Momma, you just don't know how popular your son is!" and, "You gotta' handsome son, Momma." Yes, my son, you truly are! Even though you are not here, I know you are enjoying your senior year. We will continue to faithfully represent you in all that we do. ***Your name, life, dream, and legacy will live on through the Christopher A. Wilson, Jr. Memorial Scholarship.***

We love and miss you.

Let me not stumble blindly down the ways,
Just getting somehow safely through the days,
Not even groping for another hand,
Not even wondering why it all was planned,
Eyes to the ground unseeking for the light,
Soul never aching for a wild-winged flight,
Please, keep me eager just to do my share.

We are so proud of you.

Best Wishes To My Sweet Daughter, Nicole Mosby!

The first time I took you to kindergarten, I knew you were going to be a smart little girl. Now that you are a senior, nothing has changed. You are still smart, but not a little girl anymore. You are now a sweet young lady.

I have always wanted the best for you and wanted you to do your best in school. You have not disapointed me. I am very proud of you.

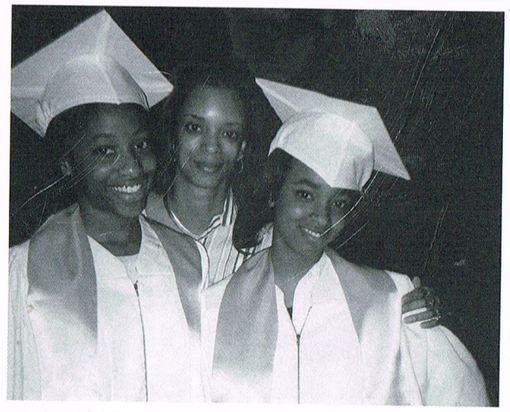

Always believe in yourself and take your life in your own hands. Remember to put God first in whatever you do. When you go off to college and the work seems overwhelming, remember to just take one day at a time. There is nothing in this world I wouldn't do for you. Just ask. You can tell me anything - no matter what. I love you, your family loves you, and your friends love you. We all want the best for Nicole Mosby.

Love Always,
